

THIS SIDE OF CARD IS FOR ADDRESS

Dear Mother & Ida

I had hoped to
make this a letter, but the days
are so short & slip by so rapidly
with something always falling in
between and I do want to tell you
that I am perfectly delighted
with your kind thoughts &
sweet wishes for my birthday.

The card is beautiful & I did en-
joy being thought of. Thank you
both, please & dear! We think &
speak of you often & have
missed you. Do you think you
will be home for school again?

I understand the car will be the 1st
& (12 days - ready now) & the only
3 weeks until school comes here.
I hope it will be a (C) State, so
we can see him. I miss many
of the cute things the baby does. He
has been wagging everywhere for
more than a month. He climbs on
the lower articles of objects or into
baker, pans, etc. & seems to be taking
4th scribbles & coloring. We hope you
both are well. Also the children.

Love from all of us to you all, the car.
