

A Happy Easter  
May the Easter spirit  
shine upon you  
And light your days  
with happiness.

Rodney Thomas & Co.  
Chicago

We do all hope you'll have  
a truly delightful Easter  
and that you, Mother, Jean,  
are feeling ever so much  
better.

Denise is all thrilled  
that it is time the Easter  
Bunny can come. She  
wants him to visit  
you both and I and  
Rickie, too.

Lots of love from us all,  
Norma.
