Dear father,

Am surprised and disappointed that you didn't come to see us on your way back to Long Beach.

Memie said on a card to Helen May that you had gone else I wouldn't know where you are. Wanted to send you a night letter for your birthday but didn't know whether to send it to Dingle or Long Beach. Douglas didn't know either so didn't send one.

I thought of you many times on your birthday & wished to many good wishes am sending a lot more now. Hope you had a pleasant day of it and that you are enjoying reasonably good health. Am anxious to hear what you did about your operation. Did you have one? How is the trouble now?

You have missed a lot in not seeing Susan and our new home. She is still a model child - the picture of health and intelligence & you and Mother will have to make a special trip up to see us - plan on it soon why don't you? Even if you didn't come our way I am glad that you got out of that cold country. Besides it is awfully lonesome for Mother without you. Hope she can go with you next spring.

We are all doing fine here - working hard and managing to keep our nose out of water most of the time. Didn't know

there could be so many bills falling due all of the time.  
Expenses go on whether the money comes in or not. My  
practice is still growing but am not able to find any filthy rich  
as yet. Those that have money are certainly holding on to  
it the others have learned how to run bills.

I took Helen May's tonsils and adenoids out a week ago  
last Friday. She has done fine & they were bad & should  
have been out long before. She only missed one day (Friday)  
of school. As yet we haven't been able to get her to  
part with the long hair but haven't given up hope.  
She likes school and seems very happy to be here.

Tell Mother & Ida that I think of them a lot & would  
love to hear from them.

Loads of love to all  
Wilton.

Dear Daddy Ream,

I wanted to send my birthday wishes in  
time, too, but couldn't cause I didn't know  
where you were. I send 'em now - a whole  
car load - & all for you: loves some - hope  
you are well & happy for 20 yrs to come; hope  
all your enemies turn to good friends &  
the good friends to better ones; wish you  
lots of joy & pleasant times in days to  
come - We are sorry we didn't get to  
see you this trip & sorry you didn't get  
to see Sue. Lots & lots of love to both of you  
Helen
