Dear Mary Ida - It is Sunday night,  
It is Sacrament meeting but I guess  
we are not going - it is snowing  
and blowing so hard. It was Union  
meeting in Montpelier today. would  
like to have gone but - Daddy did not  
feel well. He was in bed most of yester  
day. Hazel Dawn and I went to Sunday  
School. There was quite a large crowd  
there. They had a party for Jay Kate  
last Tuesday night - Helen was not  
feeling very well and did not go. H.D.  
and I went. We were very glad to have  
Daddy come but sure wish he could  
have been here for Helen's birthday -  
we were hoping he would come  
we had a nice fire in the fire place -  
Helen came out in fact they  
kidnapped her but we had a good time  
and Helen got a lot of nice things. Yours  
came the next day when Daddy came they

are sure nice and Helen was thrilled. I guess she has told you all about it. I wish you could have been here with us. Uncle Milton wants Daddy to go down and work for him next winter. I wish he would I think he would be better off to get out of this cold. We shall see later. Daddy has told us about your good looking friend we would all like to see him. We have formed a good picture of him. Daddy says he likes him and thinks he likes you. Tell us more about him. Hope you win him over. Daddy says he would like to see some pictures of you girls. I am glad you saw Gwenn. Beulah asks about you - says she hasn't heard. And when Mary Lindsay was home she said to tell you to write to her. Robert Lee. It is the Prom Friday night. I hope Hazel Ann gets to go. The girls are washing their hair and listening to the radio. And we are wondering what you are doing. Good morning - I did not get to finish. This was all about the same - in a rush. Daddy is still in bed. The bus has gone. They are taking the car and are ready so will write again. Love Mother
