Remember me to  
Pier. Since you are  
making pretty good progress  
concerning all. So, just  
go easy.

Dear Mary Ida,

I got home OK. Thursday night. I have had  
a very bad cold ever since. Have scarcely been  
out of the house. ~~Yesterday~~ Yesterday I went up to  
the first stock of hay on the Dighton place and  
sold it. I was out about a half hour I guess.  
The night before I went to the Relief Society  
party. It was a good party lots of food and  
fun.

I had a good time of Miltons. Could  
scarcely get away. They kept wanting me to stay  
longer. Just a week ago Milton took me to  
San Francisco. We went over all three bridges  
and spent the best part of the day dining around.  
I intended to leave Monday but was sick  
so did not leave until Tuesday morning. I  
did not have any trouble getting off. The bus  
was not crowded when I got on but filled at  
other stops. I had intended stopping at  
Salt Lake but when I got there, decided to  
so called Emilee on the phone. I  
a sign of success. Warren  
to throw them off.

Stopped in Logan over <sup>my</sup>  
Ruth. She and another girl <sup>with</sup>  
in an apartment.

Tell Grandma that I spent an hour or  
so with uncle John Crockett at his office.  
He seems to be pretty well. He gets around pretty  
good, drops his right foot a little and has to  
go a little slow. He was glad to see me and  
asked about Mother, sent her love and hoped  
she would come and see them next summer.  
He does not get to meeting on any place  
where there are many people. It excites him  
too much.

Went to the house to see Annie. She has  
been operated on for goulstone. She is  
just getting around a little. Sent her love  
and hoped you are well. She was glad to  
see me.

Then I saw Wallace and Edgar Hopkins  
for an hour or so.

There was a lot of snow in Salt Lake  
and Logan. There is some here several inches.  
We have had one pretty good storm since I am

I am better to day and hope to be around  
and in a few days.

Hope you are all well

Love to you and all  
Dad.
