Dear Mother Ream

Just a note to remind you of our love for you on this wonderful Mother's Day. And I sincerely hope this has been a very Happy Day for you and that you are feeling better than when we last heard.

Bro Morris Low was the speaker here today. He spoke very fine - quite a crowd out all seemed to enjoy it. Sorry Wesley was not there but he had to go to Pine Spring. They had a special programme in Sunday School too. The little tots did fine. It was a lovely clear day, but a cold wind came up in the afternoon so that a fire felt good. Two of our dark red pomegranates came out in half bloom - I picked them one for Mother & I. They did look pretty. Wesley is going up to the ranch to stay for a while now. Max Lyons is going

to help him for a week or two.
The Skinner boy, Hermon, I think, is out
helping Mitchell with the sheep. It is so
cold the last few nights that some of the
little lambs froze to death. Our six
pets are doing fine you would like
to see them play. They will drink all
the milk we have for them. And want to
follow us every where we go.

I have been thinking of you all day -
How you enjoy life and look on the
bright side always. We all look up to you.
And I hope I can spend as useful ^{a life} as
you and be as wonderful a Mother.
I am always wishing every Blessing
to attend you.

Love

Mamie.
