Dear Mother Ream

I have been going to write to you for a long time. I think of you so often and wish we were closer so that we could go to see you often.

I wish you could come up here this summer we would all love to have you. It will sure be nice if Ida and Beulah can come and hope you can come with them. It is looking more like Spring. But we have had a cold snap - this morning there was so much frost the ground looked like snow. There has been such a cold wind - just for garden. Wesley has planted some late. He is up early and works late. Is sure tired at night.

Mary Ida is doing well. She needs lots of care yet we do try keep her from doing any thing to hurt her side. She walks around the house. We are so thankful she is better. It has been a big worry.

International National Farm Association

I hope you have a nice time  
on Mother's Day. Sorry we did  
not write sooner.

We all send our Best love  
to you.

Love  
Mama.
