

THIS SIDE OF CARD IS FOR ADDRESS

Mrs. Nora Ream,

939 Gaviota,

Long Beach, Calif.

Dear Mrs. R - thank you for your card. I meant to answer before, but there was the rush of getting Ruth and Genella and Pa off. Too bad you could not go with them. It is pretty lonely here after all the visitors. I enjoyed your visit here so much and wish that you could make it oftener. You and Ida are so welcome and if you would only come. I hate to ask people, too, as I know it involves a long journey and it takes gas and wear and tear on the car, but you could come prepared to stay a few days. I am sorry that you did not have any luck find out about the rose. I shall try around here, and in the Fall, I shall put in all the cuttings I can. Had a card from Ruth at S.L. They were going to spend the day there shopping and they had been visiting with your sister. We waited that Wednesday evening for Ida, she had told Ruth that she would come to see Ruth and Vera. Hope all is well,

Greet Ida & family, *Mabel*
