

The flowers are beautiful
and every thing looks so
pretty around here.

We had a letter from Helen
she said she will be home
in a few days.

Leis was over she looks fine.

I hope you will soon be able
to come. It seems such a
long time since you were
here. It is nearly time for
the mail.

I hope the boys will be able
to get some help and get the
work done soon.

Lots of love

P.S. Wesley just came for
dinner. No one working for
this a.m. but he + Milo + Clayton

Dear Mother Beane -

I am thinking
of you. I know you are wonder-
ing how the boys are doing with
the vault, and that it seems so
long to you. Mitchel sent a man
up to help Wesley dig. They
worked alone till Saturday
M.A. came with the scraper
day to drag the dirt away. It helped
a lot. Rodney has not been or
sent any yet. It is such
awful hard digging. M.A. got
some giant-powder. Wesley
used twelve sticks and they
have to use the pick any way!
Wesley comes home so tired he
can't sleep. The work goes slow
and they need more help.

Arthur W. Grix came
Saturday late afternoon to
see if he could be of any help.
He had received a letter from
Milton saying they had
started building. It was good
of him. He will send more details.
Milton talked to Speakey on
the phone some time ago said
when it is ready, he would
get you and bring it up.
But I wish you and Ida
could come now if Ida
is able to travel and let Milton
bring Dadas soon as they can
have it ready. It seems to
me it will be a long time
yet, unless they can get a lot of help.
I will get Speakey to write in a

day or two and tell you what
he thinks. He does not know
I am writing this, and I hope
it will not do any harm.
We had a letter from Jean. He
is studying hard for the bar
exam. He says mother
wants to come up - it is
so very hot there. Starren
is not able to go for her
yet. I don't know how we
will get her. She is just
about the same.
We had some rain yester-
day. Today it is cloudy -
the cotton is flying and
it looks like snow.
