Dear Mother Beam -
We are down here for
Conference this After
noon. Sheley went to
the ranch this a.m. then
brought us to town.
We went in your
house and looked for
the book you sent for
but could not find it.
We found the books of
poetry on top of the other
books, but could not
find it. He will look
for it again if you
have any more sug-
gestions send them along.
It is a beautiful day.
Hope you are all well.
We will write to Mary.
Love Mamma
