Dear Grandma,

I arrived here safe and sound yesterday afternoon. Didn't have any trouble until I got in Logan Canyon and then I had plenty. I enquired 3 places & they ~~it~~ said the road was in good shape so I tried it & got 17 miles up the canyon found ice slick as glass & had to walk about 10 miles to get help. After I got back on the road the State crew came along sanded the road & I made it on home. I had just slid to the side of the road & couldn't go till the road was sanded. Love to you from all of us. Sean
