Dear Dad,

I was glad to get your
card and hear that you
and those there are well.
We have had an
early spring. Lots of snow
It has been fine lambing
weather and I have a
good crop, something over
300. Less than I had last
year, but I lost a lot of
ewes. I have just a few
more to go. I let the
oldest ones out to graze
this morning. Cattle are
doing fine. Lots of calves
born, & I have been milking
every other day for about
two weeks but have quit
now. Love and best
wishes to you and all
the others. Love,
Dwight
