

Norma got home yesterday.
K.L. is going to Crow Creek to
haul logs for a while. He had
one week on the road + Rodney on.
There was not enough at the
farm loan meeting on the 9th.
Is they will have another one
next Saturday.

Wesley got the papers O.K. and
he is getting them fixed up
and says he will write soon.
We got a nice letter from Reuben.
We are having colder weather
now. Very little snow.

Hope you are all well.
Mabel Jean will be there, and
tell you more news, soon.
Wesley arm still bothers him.
Love to all from Mamma

to write every day - but has
been so busy.

Your picture ~~is~~ ^{is} wonderful

sent you something But have
not had much money.
Wesley has had tin days work

on. He sent Helen five dollars.
He is helping Rodney dress
turkey this week. They will sell
about nine hundred, on the 19th
