The masons took charge
and every thing was lovely.

Isobel Dayton came up for
a visit and she took sick
she is at Jacies. Frank came
for her but she is too bad to
move. Will have to wait Dr
said it was her gall.

Tell Jan we got his nice letter
and will write soon.

We are all well. Mother walks
over most every day.

Emeline is getting along fine
in Madison.

It is time for the girls to go to school
and must send this with them.
I am glad Milton & Douglas
could go to see you. Wish we
could go down. I will try and
write again soon.

Love to you all

Dear Mother Pearl -

The weeks
skip by so quickly and I do
not get a letter off to you -
but I am thinking of you
every day, and I hope by now
that you are very much better.
I am glad you are in your
home. I think it will make
you feel better. I hope
you do not have anymore
of those bad head aches
and that you will soon
be strong enough to
come to see us all.
It is lovely here now

In fact you could have been here all winter and almost thought you were in California. It seems we have had no winter. Only two nights below zero. Yesterday it was really hot.

Wesley is busy now taking care of little lambs. This morning he has fourteen (two ewes). He is very ~~very~~ anxious to get to Pine Springs. M.A. has Max Lyons up there seeding now. Rodney and Kenneth are working early and late too.

Mitchel and Mable went to Purley to the funeral of Uncle Leonard - maby they have written you all about it. I would like to have gone but they did not say any thing to me and Wesley had to feed so they could go.

M.A. came in after and told us about it. said he never thought about asking me. Said talk about flowers - they took some up from Pacatello and he could not find them again. It took a
