Dear Mother,

Got your letter a day or two ago.  
Glad that you are well and that Ida  
is getting better.

I guess we have spring here now.  
The grass is growing, and we have  
had some good days. But it has been  
raining and snowing a little most  
of last night and today. Just coffee  
storms I guess. I hope it clears the  
next few days, because the lambs  
will soon start to come.

Mamie went to Canyon Saturday and  
got back last night. Maids mother-in-  
law was buried Sunday.

We are all well and not working  
much harder than we have to.  
But I expect we will be digging in some  
what with cropping and lambing. I  
almost sold my sheep. Wish they had gone.  
Best love Wesley & Mamie
