Dear Grandmother,

We got to Salt Lake  
about 3 o'clock. Mother  
met us at the stopping  
place. We had a lovely  
trip. We averaged at  
least 58 miles an hour.  
But the scenery was  
beautiful. We got 130  
miles off the road but  
got back again. Went  
over most of the desert  
at night. I will write  
a letter soon. I had a  
lovely time at L. Beach. Give love  
to all,

Helen Ream

We got to Dugh Sunday at 4 o'clock
