Dear Grandmother,

We got to Los Angeles at 1:30. We took a cab to the Mercer Hotel. It cost \$4.50. We had to run to catch the P. E. We walked around a little but there wasn't much to see. We will soon be on our way to Salt Lake. I had a very nice time at your place. I hope sometime I can come again. Give my love to all, a kiss to Rickie for,

Helen
