Dear Mother,

Just a few lines to let you know that we are thinking of you. We received your letter a day or so ago. Mammie has been in Salt Lake City for two weeks, I went down Saturday with Deane to see his mother and Mammie came back with me.

We went on to Provo to see Helen. She was getting along nicely. She thinks she will likely get a job there for the summer to pay her tuition. Dean is also getting along well. I do not know if he will be home this summer.

Dad seems to be getting fine, I have been so busy that I have not seen much of him. I am not through planting yet. My fall wheat is not so good I may have to replant most of it.

I hope you are getting along well and will be able to come up here this summer.  
Best love to all especially to  
you

Dear Mother Pearl.

We very glad to hear from you. and know that you are so well. I have been thinking of you so much. You are a wonderful mother - and I love you very much. Wish we were not so far away. and that we could visit you often. I was in Salt Lake for two weeks mother seemed to be getting a little better but at times she was bad - seemed to have sinking spells. She is not in much pain. But it gets hot and it is so hard to have to stay so long in one position. We can turn her on her side and she rests that way a while then turns on her back again. We were very glad to have Maidea come. She was there a week and two days while I was there. We had a good visit. Uncle Hyrum is in Nampa with Mary. She is not very well.

our twin girls are both in Provo attending the B. U. They sure like the school. They are fine girls. Was sure surprised and thrilled when Wesley came with Warren to S. L. was glad too that he could have a little rest. It made mother feel good to have them come.

And Helen was so surprised when her Daddy walked in she nearly fell over. Jean went with us we got there about 12:30. Had a fine dinner. Left about four. Left Salt Lake at ten got home at 1:45 a.m. Found the girls O.K. They were glad to see us.

It seems much cooler here. There is a lot to do. Wesley is working on the ditch will go to the ranch tomorrow. and then on the 19th. It is clouding up today. Feels like storm.

I haven't seen Dad yet. I want to go to see him soon as I can. I hope you keep well and can come up this summer. Hope Ida and family are well. Will be glad to see you all. Love Marie.
