Dearest Gram -

Guess lots of us have  
been thinking about Aunt Beulah  
and today more than ever!  
Yes when I heard that  
3700 had been released  
from Camp Santa Teresa  
I could hardly contain  
or control myself

Maybe I'll get the  
messages we sent from  
Bear Lake - I say we 'cause  
I feel slightly influential  
in getting them off - you  
see there was a short  
article in the Bear Lake  
paper saying messages  
could be sent through  
the Red Cross - and the  
day our letter arrived from

called and found out it  
was the last day but they  
got a message off - One  
to Aunt Beulah & one to  
Uncle Tobias - So let's  
hope they get everyone  
notified as soon as  
possible - You have  
probably gotten word  
already. I'd like to have  
her address when you  
get it.

"Life is a trap"! That's  
the favorite expression  
around here - Yes, we  
are just pledged 8 hr duty  
nurses as of today. Of  
course I've already chalked  
a few 8 hr days up to my  
credit and last Saturday  
I was in charge of the  
whole ward from 3-11<sup>30</sup>  
Not much excitement  
but one little man did

have a hemorrhage and  
Lina was a scared chick  
for a while.

Feb first we get a raise  
in pay. Also finished our  
final exams Friday. I'll  
have to tell you about the  
one final grade I've  
gotten back. The teacher  
corrate  $\begin{matrix} B- \\ C+ \end{matrix}$  } 24 of the class  
got that grade 15 get higher  
and 12 get lower. Yes  
14 others and I - we feel  
mighty smart.

Oh! I get a month's  
vacation from July 19 -  
Aug 17 - And I'm going home!!!  
But first.

Still quite cold here  
in fact it snowed here  
last night. This week  
I work from 2<sup>30</sup> - 11<sup>00</sup>  
every day and next week

I will probably go on nights.  
I'm having so much fun  
doing stuff - every thing is  
so new & exciting!

This has been my pace  
for the past two weeks.

Now - well I'm going to  
catch up on letters washing  
pressing & maybe some  
new clothes.

Am glad that you are  
well - more later off to  
work I go - its time.

Love, Mary Lois.
