Dear Mother,

That sure was good news from
the P.S. I was sure glad as soon
as it came I took it up to J.R.
and W.W. was there so they got
to see at the same time. Then
took it in to Montpelier in time
to get it off on the night train
for I was all most sure you had not
received an word. Now if you did
let me know, will you as soon
though you would.

This morning looks like Bear Lake
foggy and cold haven't any snow as
yet but most every one have been
feeding for two weeks most every one
up here are well. Norma Jean is
working in Preston but will soon be
home as she is going to stop at the
Dee Hospital Jan 2nd

Lais will be teaching all through the
holidays no time off for Xmas.

We were down to Preston for
Aunt Alven funeral and there
was a large crowd out and we got
to see a lot of the folks, and this
Sunday I took Wally and Marnie
and went down to Lund to
the Lippchenburg funeral ^{Yes E. Crockett}
~~was the~~ Mrs Frank and Ray ^{Crockett} were
the only ones we saw at Preston
that were there. Ella come from
Washington. They look for her
but she didn't get there.

Mrs Lell Cook checked in ~~and~~
on the 14. will have her funeral
tomorrow.

I hope you are well and that you
and Ida have a nice Xmas

Mitchell
