Dear Mother Beam

Hope you
keep well all thru the year
and enjoy your holidays to the
fullest. I still have a hard cough
in my throat from the last autumn
happening. Lois came home last
night, ^{came} only because of the "flu"
spread. We haven't done any
thing as yet, but have our tree
it is a small one but the kiddies
are wild about it. yesterday & to-
day are like ~~spring~~ spring days just a
little snow. I miss ~~seeing~~ seeing from
my mother. this Xmas as she always
headed the list with the message of cheer
also Aunt Mary Beam & Grampa P. ^{They will} I'll write
always live in our hearts. ^{Love & meet} mail & family.

This Merry
Christmas greeting
Is coming to your door,
To wish you twice as
much good cheer
As you have had before!

Love.
