Hello Grandma I thought you were coming home & to see over supper. I guess we were big boys. But will cook for you next summer. Love Maell

Dear Mother,

I was in hopes you ~~was~~ would get home this year. But I guess it was not to be, and I have tried to get down to see you the last two years but it seemed as though I could not get a way. But am going to make it this Nov. if I possible can.

I want to thank you for taking care of Lais last year. Now about here coming back this year. we would like to send her, but last spring Dad said there wouldn't be any one going down there this year to school, but the other day he said it would be O.K. for Lais to go if you want her is let us know and if it is O.K. with you she will be coming down.

We had a fresh frost ^{night} and soon will have winter again. Dad seems to be feeling O.K. but I would like to see him get out before it gets cold. Hope you are feeling better and will show up see you this fall. We all send our love. Maell
