

Omaha June 12/81

Dear Nora and Boy

I have just eaten

+ it is 10 O'Clock. but I will not
have time to write you in the morning so
will do what I can to night. Fred +
Annie left this morning for Cache

A. is going to bring Lida over
to Will's wedding. I don't know
whether I will get down or not yet
it seems like I cannot get through

I sometimes think I will be able
to come + again I give it up for
a while. If I knew whether you wanted
to come on the train so I could come and
meet you but is too late to get word
back so you can't get here for the big
dinner. I thought - I would be sure
+ come down - but my water

Kept me back three times
longer than I thought for
I could come but the house would
have to go unfinished. High & John
said they would do to white wash it
while I was gone but they have gone
back on it so I have to do it alone

I am getting offe tired patching
it - I wish you were here I would
like to see you all very
much I am getting homesick
to see you and offe disgusted
with hard work all the time

Will is putting on
lots of style he has got him a
new buggy & harness I told
Fred to tell you I would send you
some money to morrow daing
to Paris in purpose to get it to
send to you I hope you got the
other all right - & in time for
the 4. I would like if possible for
you to be here for Will's wedding

as I will not be able to go & she would
like for you to be there
I am getting sleepy and must
go early to morrow. I will not write any
more I send my love to you and
our boy & hope you are getting along
nicely I would appreciate a
kiss most wonderfully ^{well} from
you to night - and the boys two
have not had a letter from you
for so long a time I am getting
anxious love to ~~you~~ Max
Good Night
Will.

been locked
in the jury room
