Tuesday 8<sup>th</sup> Baby will be 3 weeks old  
tomorrow and we weighed him today  
and he weighs a little over 8 1/2 lbs.

I have got a nice new cradle for  
him. Lulu Carl has got a baby  
born just before noon and now  
it is Nett Carl's turn next.

At the Election yesterday Logan  
went Republican a majority of  
nearly 100. Altho is sick in bed  
but is a little better today. Aunt  
Mary Hudson is slowly dying the  
doctors pronounce it Bronchitis that  
she is dying of and says nothing can

Logan City March 4<sup>th</sup> 92  
My Dear Sister Nora

I do not remember  
when I wrote last to you or I but  
if I saw you in a letter it was  
through unintentional neglect  
which I beg you to ever look.

We are all quite well at present  
and you doubtless have heard  
of our new little son.

He was born on the 17<sup>th</sup> of Feb  
and I had a real good time  
considering all things.

He sleeps all the time much  
I have to waken him to nurse  
I have been doing my own work  
for a week with the exception of  
my washing and I am real  
strong and well and feel splendid  
as yet I have not ventured out

but am thinking of going out  
a little to day. We have ~~lost~~  
the baby Calvin LeRoy. What have  
you named your baby?

I do hope your health  
is better than it was when I  
last heard from you.

I dont know any more as  
all that is going on is  
politics. John was out to a  
Democratic meeting last night  
and Thursday night until  
twelve o'clock.

Old aunt Mary Hudson  
is not expected to live. The old  
gent has been very sick to but  
he is better.

Mollie and her three children  
are at Delia's yet she has been  
to see me once. Delia has been  
in four times and Annie &  
Althea not at all and baby  
nearly three week old.

So you see what kind of neighbors  
I have. people seem so very  
selfish that they care for no  
one but themselves.

I think Spring has scarcely  
come there is but a very little  
snow here and there in spots  
and the days are very warm  
and nice now.

Alvin and Cyrus George & Bell  
were all down when baby was  
born and Ruth was down two  
weeks ago tomorrow.

I guess you have heard  
of the death of dear Aunt  
Pessinda Kimball she died

I believe on the second of  
Feb. I cant think of any  
more to write this time as

I will close with love  
to you. Will and the children  
and love to Mollie and Stella  
also hoping to hear from
