Mrs Nora E Ream & Mrs Estella Brackett,

Dear sisters we
reached home all right Sat evening
between 8 and 9 o'clock. Sat forenoon
"D" killed five chickens with six
shots further down the Canyon
Agro shot a large Hawk and in
river Dale "D" shot a small duck
he thought he had done fine
I can tell you, he is very fond
of unfastening his gun and
putting it to gether again,
we found every thing all right
at home Mary was in Logan
she came home yesterday she
told us lots of news your Ma

(Wora) will start for Dingle next Friday
Omnie is a little better she thinks
she can not stand more than one
or two more such spells.

Mary Reed has been in Prison
for fornication you will read all
about it in the Journal.

They say Logan is getting bad fast.
We hope you are all well and
that we will hear from you soon.

Wora and Stella we had plenty
of picnic and it was very good.
I can tell you we enjoyed it fine.

We camped Friday night in the
month of Liberty Cannon
at noon by Drink Creek.

Love to you all
from your loving

Sister Ruth Crockett
