Dear my dear sister.

I should have written before
but have been wanting to
obtain some news concerning
our Father's arrest and now
have the pleasure of stating
that he is once more a free
man, being discharged for they
could get no evidence against
him and ^{he} is now on a short
visit to Payson.

Mother's health is not very
good but she is around.
I suppose you have heard
of Brother Couch Lewis and
Bro A. S. Gatt being dead.
Also of the Birth of Ruth's

the 1st of April. she is very
small but weighs 12 $\frac{1}{2}$ pounds

and lining buttons and silk thread
for a dress and plush for yoke
