Dear Mamma-

The post-master would not give us our mail. We have only got two letters from you. I am glad we are coming up there Christmas. I did not get below 70 in examination. We are all well, and getting along all right in school. The teacher let the ruler drop on his hand. Here boys from the Wood-~~of~~rup were taken up to police head quarters for throwing snow-balls.

We had four days vacation on Thanks giving, and had a grate time cutting wood. We had plum pudding and candy on Thanks giving you can imagine how funny Clara and I looke putting each other around by candy. Are you all well? We are? all well.

It is warm to day. The snow is four in. deep on the ground now.

How deep is the snow up there. Les tru is all right the pad has not com off any more.

Skating is good now.
Last Sunday I was
skating all day.

Grandma is well.
