Dear pap. —

I am getting along fine now. I am carrying five subjects besides drill and gym work. I am also in a short comedy called Mr. Bob. I am taking part in that for two reasons; first to get on the good side of some of the instructors and also help me in other ways.

We had an indoor track meet between the classes Friday evening. Wesley represented the seniors in the 25 yard dash and the relay race. I ran for the preps in the 25 yard dash and the half mile run. There is no end to my wind here; but, without practice my legs got rather tired before the finish. The man that took first place beat me about 75 yards.

I am on the Prep debate council.
If I can I will get a debate with
the A. of I. and come down to
Pocatello about April. If we
don't get the debate with the
A. of I. I will try out for a team
going to Spokane.

I play in inter class basket ball
a little but don't make a business
of it.

How is everything on the old ranch
now? Have you heard from
Lirik yet?

I got my sweater coat all O.K.

Well I must close for
want of something to write.

Respectfully
