PEARL JARVIS, CLERK

W. L. CRICHTON, CLERK

Dear Ida; - I got your letter a few days ago but was not able to answer it until to-day as we only get one piece of writing paper a week. So I wish you would send me some paper envelopes & stamps so I can write to you real often.

I am so sorry that I did not take your advice and stay in L. B. Believe me if I ever see you again and you give me advice I sure will heed it. I am so sorry that I got in trouble and sorrier still that I got caught. It won't do any good to hope that I am shielding anyone, because I took the car and there is no getting around it.

You say that you and Ella are stepping out to P. B. and the Majestic, well I sure wish I was there to step out with you. But I am good for 1-10-ys in the State Pen.

I am not doing anything I don't even get out of the cage I sure wish I had something to read, as I have read every they have here from Snappy stories to Christian Science monitors.

I was not joking about Navy. This is not a Federal crime as I didn't take the

car out of the state. I wasn't intending to keep the car, just to use it for a few hours.

I wish I was in Long Beach so we could snatch roses. I will someday. I have got to spend Thanksgiving and Xmas in the Co. jail. I sure wish I was in Hingle sitting down to Roast turkey and all the fixings. But I guess I will get veinies + kraut for those two dinners. We only get two meals per day here.

Oh Boy! If I ever get out of this scraped will never get in another one. Uncle Pete wrote me a letter + said he hoped there was good books in prison for me to read. He says "We are what we make ourselves". Oh he was a sarcastic old pill.

How is your mother? Does she still have those awful headaches. Tell her to write to me. I sure am lonesome here in jail and it sure does me good to get a letter. So please write to me often + send me some stationery so I too can write to ~~you~~ you often.

Give my love to your mother and also to (Ella?)

With the world full of love  
your cousin

Theone Larsen  
go Levi Christman P.S. I hate to ask it but will you
