

6 Jan 1885

Still not yet  
baptized - uncertain  
very well described  
dream

buggy to go home. Heard Wainwright - yes, she did but  
and I thought - Was going to get up and we get through  
to attend the mass made a very short time and had  
to night but did not feel in a hurry of cards I did not  
the house. We brought all with any more as you see  
if nuts & oranges up and I'll finish now - I shall  
are having a good time have had the morning  
just finished eating supper and will be in Sat.  
& also out to see who would a short time. Will have  
have the dishes to wash & I have not been out yet  
was the unlucky one. The car hardly making up  
they knew not to see who would mind that I can't  
have to wash potatoes & make doing the right thing by  
get the job. Will I should get you and see it  
my dishes washed the water is hot. I don't feel just as I would  
& the women I get it done I will like to have felt some such  
the better. Haven't many & it won't an occasion - but you can  
take long Josie is getting the depend on me and I'll do  
water ready. I don't think she my best. I had a dream  
will let me wash them. There the night I stayed in a cell  
in a moment just now & I don't shall I tell it  
I will tell you if she does
