New Orleans Feb 3/85

Dear Friend Kara

I'm sitting in one
part of the grandest building
an American writing. In the
"Government Building". And O.
you can't tell how proud I am
to think that I am a citizen
of a Republic. what a remarkable
town made such a display of art
industry and natural beauty.
I can not tell you how
could you realize it if I could
you must see to feel it. On
my out here today I rec'd your
letter and I must not put it

writing I am kept. I was so glad
to hear from you. I also got a letter
from my dear friend James Todd
from Ogden. it is pleasant while
far away away as I can not hear
from those we love. I have had
one letter from Mr. D. since I
came here. these are all I have
so far received. there ought to be
plenty of letters in the journal
I write plenty. I have not much
time for reflection or reading. sight
reading and writing takes it all

take a whole year. I believe I tell
you one thing I think you could
do better than most yourself out
in school. Sara I am not a
flatterer. but I think you would
grace any position. Some day

when you are at the head
of a family. I would wish
I could be known then as Frank
and feel at home. I would like
always to be on familiar terms
with you. What I will tell
Hobb about you is not for me
to repeat. when you see her
you can ask her. she is a fine
little woman. and talks me
like a piece if you speak of
me as I speak of you. I shall
ask no more. that picture of
meas more or little, as the con-
juncture be of course I see nothing
wrong in it. I expected no more
surprise or it than I had seen
it before. when I return I
will call and see you. Oh, I
wish you were here to keep me
company there are many fine
looking strangers here now and
