My Dear Friend

I wish a long trip Sunday  
morning I will take to  
you for a present  
I am waiting for the time  
so I can't get a ride  
acrossing over the river  
to get my mail I would  
love to see you but I have  
been working so hard  
I do not wish it right to  
ride him to day I have  
got back I found that  
all was left for me to do  
I have been working very hard  
on Friday I was putting in  
a love I thought if you

and wondered if you would think  
of me. I was satisfied you  
would when you closed the  
door of your school room for  
the last time in not being  
during the day I arrived  
home Wed. morn. 11.55 and  
on Thursday went to visit  
Grit. Yesterday I have been  
making ditties and I  
am so tired can hardly move  
I want to go to W. to say to  
get my mail & am looking for one  
from your board but by  
mail the pictures of Annie  
and Edith the little in Colton  
the other is Annie. They are  
both teaching now. Susan is  
our kin, my favorite cousin  
I believe of I turn till I come  
down - I must quit. Excuse  
that with a hope. Good Bye
