Dear Friend

You received my letter of the 1st

and I have been thinking of you ever since. I have not  
been allowed to get a letter in. It  
only cost me 3 c. to get a letter in.

I suppose you will be glad to hear that I  
am well in the land of the living.

I feel that I am well in the land of the living.

I am well in the land of the living.

I am well in the land of the living.

I am well in the land of the living.

I am well in the land of the living.

I am well in the land of the living.

I am well in the land of the living.

I am well in the land of the living.

I am well in the land of the living.

I am well in the land of the living.
