

Lingledell Ranch  
Sunday Morning  
or Noon & I am in such  
a hurry that I got your  
note but just a week ago  
& have not had time to  
write I have been so busy  
this morning I could  
not find time to write  
I had to finish up shocking  
Waking or sunn but I could  
not help it - I am going  
to M. this afternoon  
for some extra work for the  
machine I expect a letter  
from Nora a better one  
than this too Nora you  
must excuse for I have been  
very busy the past 10 days or more

I have been sick, but am  
better now. I am done  
harvesting. Frank is not  
I will not have as much  
grain as I expected, my  
oats are very poor.

May come down as  
soon as done stacking.  
Frank is going home with  
us this winter. I have  
been trying to get him  
to get married & take his  
wife a long German  
but I hardly think he  
will if he don't believe  
is doomed to a single  
life now is the time &  
if he fails to don't think  
he will ever have an other  
chance. Now you must  
excuse short letter & bad  
writing my pen - is bad &

being in a hurry the  
letter is a very poor  
one.

Please Write after  
My Heart  
Your  
Will.

Prof. I wrote Archie & told  
him to send the money  
to J. A. Moore. If he has not  
Will you send it just write  
a line & sign my name  
Had a letter from A. & he said  
he left the money with  
you. Mr. Moore is in  
quite a hurry for it &  
don't blame him -  
she best send by draft  
& oblige  
Bye Bye.
