Dear Friend

You may begin to think
I am not going to get to L.

I will not be able to come
I have had more bother than
I expected to will come

be in B. some time between
the first & fifth This
makes the third I have
I have written you and am
much better than I was
my cold is better I think
I will have no more trouble
with it My Dear you

be very glad to hear from you
Tomorrow is your last
day in school I would
like to have been there
but as it is I could not come
I am writing here on the
show case & attracted by different
fellows inquiring about it
you must not notice

Ara wants to know
Be good & write me

I shall be able to see you
soon Until I do I mean
as Ever your friend
