Dear Friend

Your letter to Frank  
 who recd. by him this  
 morning I was the  
 unhappy bearer I got  
 it for him last night  
 + gave it to him this morning  
 just as he + Mr. Bird went  
 hunting Frank  
 is all I + party  
 + will leave the ranch  
 for 2 or next Wed. This  
 is all at present I  
 am leaving the valley  
 to day In my last I  
 asked you to write me at

Preston I wished sincerely  
I had not done so  
for I was not well  
It has been over a month  
since I had a letter from  
you. It seems like a  
long time ago  
When I saw the despatch  
letter myself, <sup>I can't see</sup> unless you  
think there is more gained  
by writing him I have  
wished that it had been  
delivered unknown to me  
So I really do not feel  
guilty. I shall  
not write but I shall  
forget it until I see  
you one next night  
With a close commanding  
best wishes possible

Yours Truly  
L. J. Hill
