Dear Mother!

It was pleasant to learn
of your safe arrival & that
you are feeling fine.
Sorry that Beulah
was ill - hope she is now.

Sorry that you had left
So early before our return.
Dad said you had only been
gone a short time.

We enjoyed our visit
even though it was short.

We left the same evening
arrived the next night at

9.45 PM. & Had a baby at 12.22

so it was just as time

at the Du Hospital in Boston they
said Dr. Schick had phoned for his
report & you would be improving.
Let me know if I can help in
any way please.

Love from us all to all of you
Always,
The Englands!

I was feeling pretty well when we left
