

September 5<sup>th</sup>

Dear Grandma and all:

I am indeed sorry that I have taken so long to answer your interesting letter, but my time hasn't been my own. For the last week or so we have been getting up at 3:30 to go out to the rifle range. I don't know how long this will keep up.

I certainly do miss my vacations in Idaho. It has been 2<sup>nd</sup> years since I have been there.

My weekends have certainly can't compare to the ones I spend with you all in

Sandy Beach. Neither hang  
around camp or go to show.

I know new books very  
good lately. As soon as  
we finish the Germans, we  
will be able to strike more  
men and materials to the  
specific area. It can't be  
any too soon for me. Have  
you heard anything more  
from the folks in the P. L.?

Grandma, why you think  
you could talk that  
granddaughter of yours, Mary  
Bob, into writing me a letter?  
Has she forgotten that I exist?  
Give my love to all

Robert
