Dear Mother

I've been wondering about you for several days & I hope all is well with you folks down there. Mary & I do is still & you I hope has her family OK too I hope.

Dear St. Give those of us left. As you know Jerry is still in Alabama - Lucile & David are back that way now also. Left Oct 1st Eldon is temporarily farmed out & the home is quite lonesome even though 5 of us still remain.

Jerry has only about 2 weeks more of his basic training then he is expected to go in engineering for a few months.

I have not heard from Idaho directly for many months, Milton's family seems to be doing quite well.

We had a victory garden at Milton's place & it was quite a little expense.

Things all seem to be moving quite rapidly everywhere here as all over the world, it will be a great day when we can settle back to a normal life again.

Tell me your news for us here & hoping to hear from you at your convenience. I am

Lovingly yours
Douglas
