Dear Mother:

I've been thinking of you all day - you for many days
wish I could have been with you today wish you personally
many happy returns of the day. We all join in extending birthday
greetings - I had hoped to have this note in your hands today
but just simply didn't get a bit.

I hope you are feeling fine and are not worrying too much.
I know it is hard but we are all hoping & praying that everything
will turn out alright.

Don't forget we are all anxious to hear any news you hear from
the Philippines.

We are all well now. We had a nice quiet Christmas.

It has been raining a good deal here the past 2 weeks - off & on
mostly on.

We were happy to receive your nice X-Mas card & to know you are OK
also I do hope family

I'm very happy Jean is with you & I hope he is able to stay at his job.

Again wishing you many happy returns of the day

Lovingly yours kid
