Dear Mother

We trust you are feeling as well as you did when you wrote - a month ago. Time flies too fast.

We are all well here - children are all busy in their respective schools.

Forrest is finishing his scouting & will be an Eagle Scout soon (his last official rank)

Jean bluffed Texon his return trip & said you were feeling, for which we are thankful.

Milton & family seem to be O.K. though we seldom see them - either too lazy or busy I don't know which.

The fair is over now & people are settling down to a normal life again.

Send everyone hello for us & we are always happy to hear from you whenever you have time to drop a line.

Lovingly yours
Douglas.

Dear Mother Ream:-

It seems like a long time since we saw you - when are you coming to see us? That would make us very happy.

Lois - her husband and three-year old daughter spent about ten days with us a short time ago. It had been over two years since I last saw them - we did enjoy their visit. On their return they picked up Father. He is with E and now - having a fine time.

you would hardly know
our Baby, Eldon, the way
he gets around. He enjoys
being outside - makes it
very handy that both yards
are enclosed. David takes
very good care of him. We
are very thankful we have
him - and all our dear
children. I am so very proud
of Forrest - all ready to be
an Eagle Scout, - six in
his troop are ready, which
is an unusual occurrence.

Children are busy at their
music lesson again. Seanore
has done wonders with her
violin - her teacher said.
Love from all. Lucile
