LOS ANGELES, CALIF.,

Dear Entrant:

We are glad to receive your child's registration in the Fourteenth Annual Better Baby Exposition. The Evening Herald and Express for which you subscribed, and WHICH YOU WILL NEED TO KEEP IN TOUCH WITH THE EXPOSITION SHOULD START AT ONCE. Please report to us any failure of delivery. Call Richmond 4141, Exposition Department.

We enclose a coupon entitling your child to a beautiful embossed finished art photograph, for which there is absolutely no charge to you. The date of appointment is on the coupon. Be sure to keep your appointment, to avoid congestion at the studio. One of the best known photographers in Southern California will take all photographs. The studios have been especially equipped with exceptionally large, airy waiting rooms and spacious dressing rooms, so that there will be no unnecessary periods of waiting. The address and directions for reaching studios are on the enclosed coupon.

Your child's examination will be made later. All arrangements have been completed for a bigger clinic. The most expert specialists in Southern California will be in attendance to see that your child gets a thorough beneficial examination. As you know, there is absolutely no charge for examination - The Evening Herald and Express paying ALL EXPENSES. Please report any lack of attention either at the studio, or in the delivery of your paper. It will help us to take the necessary corrective steps.

PLEASE NOTE - THE ANSWER TO YOUR QUESTION IS CHECKED BELOW

Only ONE child may be registered on a three-months subscription to the Evening Herald and Express. Two or more children MUST be registered on other NEW subscriptions to the Evening Herald and Express. You will be notified by mail when and where to appear for your child's Physical Examination or Talent Try-cut. Although the registration period closes September 1, we shall continue taking photographs up to February 1, 1937. If you have a photograph appointment after February 1, please keep it. You have not been given an incorrect date.
