Dear Mother:

I was very pleased to hear from you today,
but sorry to note that you are alone & alone
I would that I were there for a visit.
I say you couldn't have gone to Idaho & Idaho,
What are Kenneth & Ruth now?

Yes, Aunt Rosie called me on the phone
when she arrived but said she wouldn't be
able to come out. Said she was taking
Aldo home with her. Wish that you two
were able to have such a nice visit.
I would have been nice to have lasted all
summer.

I see by the papers that soon we will have
first class railroad passage to L.A. for \$⁴.00 ¹⁰.
roundtrip. You'll have to come up & see us
sometimes.

Talking to Milton today & all is well with them.
Said he would be writing you in a few days.

I had a little order for Mother's Day but when
it was delayed I thought it might
be acceptable, though it was rather late
May helps to keep the mice away.
To be sent under separate cover.

You must not become too burdensome Mother,
and if you have any trouble please to call for
assistance.

You likely know that Lucia & the children
are at Montpelier now. - They seem to be having
a very nice time & have been talking & say
all is well there.

The coal just struck, mining lot so I think
maybe it would be well to write;

Love & best wishes write soon

Loveingly yours kid
Douglas
