Dear Mother Team:-

I have been thinking for a long time, that as soon as I had a good picture of our baby I would write you. I think these are pretty good, don't you - but really a picture cannot do our baby justice. You ought to see him now - he is perfect - and how we do enjoy him.

Every time any one looks at him - even strangers - he smiles. Really, I after times think "I hope he won't be the last baby". We enjoy our family so very much - I hope we can do well by the children.

The children are busy in school and taking music lessons. It seems I do not have one minute to spare. Nellie's son Ray is in the same room as Leamore but half grade higher. He is three months older. He is a nice little fellow and is a fine play mate for Leamore.

I suppose you know I took Forrest, Marilyn and Leamore to Idaho for nearly two weeks. We had a very pleasant and busy time, but missed the baby so very much. We visited in Dingle - all seemed well. Forrest stayed with Grandpa Ream several days and had a very nice time ^{main reason for going was to} give little vacation.

We do not get to see the folks here very often - everyone

so very busy. Beulah was here
a short time Sunday and we
called at her place the Sun-
day before. She had a pretty,
nifty new suit on - look fine.
Maybe I will go to San Fran-
cisco with her Thursday.

Our place surely looks
beautiful - good advertising. The
back yard is fixed up now. It
isn't large, but nice. I put the
baby buggy here and give
David run bath on nice days.
Sweet peas were planted yester-
day south of the house. Surely
looks different now to what
it did when you were here.

Do you notice the lovely
afghan in the picture of baby

done? We have made very
good use of it and are always
happy and proud to say you
made it for him.

Nelle just returned from
Mutual. Douglass is at a Dashi
Club meeting at school. He
doesn't get to go to affairs
like that very often - too busy.
His work is surely trying.

We are very happy you
are well - hope and pray you
continue so. It has been a
long time since we have
heard from you, but I am
afraid we are careless about
writing to everyone - always so
busy much to do.

Give our love to Edna
and Dilcie

Love

Lucile
