Dear Mother:

I'm truly ashamed of having neglected you so; no excuse except pure laziness. I'm sure that I have been quite busy etc. & since Luella left for Salt Lake on the 1st I now had even more responsibility since I have to care for the meals etc. but I don't know when she will be able to see all her sisters together again. Her father is here & helps a great deal.

Everyone all well & doing as well as can be expected - collections are still very poor.

Milton & family seem to be O.K. I talked to him a day or 2 ago & he said he had just heard from you. Hope

you are successful in the loan other things will be much easier for you soon. I suppose you will not be going to Dingle now that it is fall? I wish I was able to finance the trip for you.

Hope you are as well & happy. That Ida's work is satisfactory. Is they have a microvacation

Lucile & the children had a very enjoyable visit with you & I thank you very much for being so nice to them. Maybe someday I will be able to go with them.

The hour has very changeable weather this summer; a few nice days interspersed between bad ones.

No more news for you at close

Love to all from us all
Loveingly your kid
Douglas.
