Sept 11 - 1935 -

Dear Mother and all -

I hope you are feeling better and we soon becoming home. Helen's

letter came and as soon as I get home

I'll pay the bills - I am now in San Diego

for a couple of days to the Fair. We

were out to see it last night and it

was beautiful one of those balmy

lovely San Diego nights with the

moon and lighting effects were

gorgeous -

School opens next Monday and

I am having a little vacation. Bob came

home last Sat. Said he had no idea

you were still there or he would have

stopped -

He brought us lovely things Ruby a  
gun. the baby a doll - me a pair of ivory  
earrings and bracelet. Large claisenne  
bowl. a chinese coffee table. also  
a claisenne smoking set. They are  
all lovely. It seems good to have  
him back. and it will seem good  
to have you back when you come  
I hope it will be soon.

I wrote to Dad and told him that  
that Lais had written down <sup>to Rich Howard</sup> and said  
she was not coming back and that neither  
Wesley or Mitchell had written and thanked  
you for what you had done for them  
so I don't think either of them were coming  
back & he better ask little Helen to come.  
I suppose Nobel read the letter and Mitchell  
wrote you right away. Can you beat it?

Your check is here do you want me to send  
it along. Will give my love to all and  
hurry home -  
Lots of love to you -  
Ida.
