Dear Mother & All -

I am so glad you are better at
last - Milton said you would
soon be home - so I won't come
up - but I do think Douglas should
come down with you as far as S.A.
at least. and I will meet you there
You better take the night train out
and get here some Sat or Sun - Morning
that will be fine - Now if no one can
come down with you let me know - I am
sure Douglas will if Lucile will let him
Will it not be long now - -

Do you know who come to see me at
school the other day - Old Man Wysony -
the second time he came he asked for
Money but when I opened my purse
there was only 3¢ - ha ha -

Well lots of love and
Thank Helen for the letters & cards -

Love & Family

I got a radio from Beulah & she wants to
