Nos. 316, 318 and 320 Jefferson Street,

Burlington, Iowa. Nov. 17, 1881.

To those whom it may concern, —

I have been acquainted with
W^m. Ream, Esq., but ten days, and during that
time, he has appeared to me a gentleman of
honor. I have seen nothing ungentlemanly
in him.

I have often heard him speak of not being
favored with those instructions, which the said
Orchard City Business College claim to render.

I have also heard him state the terms on
which he entered said College. his dissatisfaction
And in my estimation, no one can place any
conception what ever upon the act of said
W^m. Ream. —

Respectfully yours.
