the past two weeks,
And I find him a
perfect gentleman in

has been imposed
on by the Principal
of the "Orchard City

the school. I am sorry
to ~~lose~~ lose him from
our "Ladies Boarding
Circle". He will be missed
by all who have become
acquainted with him
during his short stay

here, I have no doubt but
what. The Principal is
a first class rascal.

To whom it may Concern

This is to certify that I have been acquainted with Mr W. L. Ream for the last few weeks and consider he is of high moral character and a Gentleman in every sense of the word. I think he has been misled by our Principal who has not lived up to his part of the contract between them and I consider that Mr Ream has done his part in trying to acquire the instruction for which he has Paid the required tuition which he will

now have to loose, as the
faculty of The Orchard City
Business College does not
possess the qualifications or
will not teach higher branches
of mathematics after agreeing
to do so and also refuses to
refund the tuition according
to contract -
