

South Weber

Aug. the 24. 1853

Dear friend

According to promise
I will answer your welcome
letter I was wonderfully
surprised first by getting it
so soon second by it being so
short I enjoyed it well and
will just say when you
write again (if ever you do)
just make it a little longer

I had a good time coming
down when I left Mrs. Hunt
I went by way of Foxlder
Cannon and on my way ^{and}
through the cannon I found
in abundance of chokeberries
as good as I ^{have} ever seen

I wished that you might
had some of them they were so good

I am at the Bishop's this
morning and have but
little time to write for the
girls say that I have time
enough to talk to you with
out writing I told them I
was writing a business letter
I guess they do not believe
it Well Prad I will leave
here before Monday so you
can add to Logan when you
answer Have a great deal to
say but have come to the conclusion
that you do not want long
letters so I will close by
saying

W. L. O. Reay

P.S. It may be that a short
letter will induce me to
our correspondence! W. L. O. Reay
